# Our Commitment to You

1. We understand and support that your family comes first.
2. We are proud that our ReStore covers 100% of all operating and administrative expenses. This ensures that 100% of your legacy will go directly towards helping a family in need.
3. We respect your privacy. Your Will is a very important and personal document.
4. We would like to know that you have left a gift to Habitat in your Will so we can recognize your generosity. Whether you tell us or not is your decision.
5. If you do tell us, we can talk with you about future plans for Habitat.
6. We will provide you and your family with special opportunities to learn the stories of partner families, and to attend dedication ceremonies, where the keys are handed over to the family.
7. We will respond as soon as we can to any questions. Please contact Bojana Lough by writing her at the address below, by calling her at 613-962-7526 ext. 207 or by emailing her at [bo.lough@habitatpeh.org](mailto:bo.lough@habitatpeh.org)
